METABOLIC SURGERY?

HILTON KALASTAJATORPPA
HELSINKI, FINLAND

www.metabolicsymposium2012.com

On 10-11 May 2012 the **Obesity Surgery - Metabolic Surgery?** symposium will bring together people from different clinical specialities to discuss metabolic consequences of bariatric surgery.

Join also the **Presymposium Live Surgery** at Peijas Hospital on 9 May 2012 by Alfons Pomp

We hope that you will be able to join us and enjoy spring in Finland!
